

**Vice President of Information Technology – Oregon Community Credit Union
Eugene, Oregon
\$1.2B in Assets**

Oregon Community Credit Union is seeking an Information Technology leader with a strong business acumen to manage to goals and the ability to inspire throughout the organization. As a strong consensus builder, the executive will influence strategy and policy, and demonstrate a solid understanding of the credit union's lines of business and member service culture.

Bachelor's degree in information systems or management or related degree; at least 5 years of experience in a technology leadership, management and/or planning role required; ten or more years diverse business experience desired. An MBA considered a plus. Teamwork, creativity, internal customer service, and leveraging the best from people are keenly valuable.

About Oregon Community Credit Union

Oregon Community Credit Union has achieved excellent growth of assets of 85% over the past ten years and demonstrates strong earnings. A place that believes not only that, "we believe anything is possible," but a place that includes "Fun" as a Core Value. The credit union has been recognized as one of the "100 Best Companies to Work for in Oregon" by *Oregon Business* magazine, and the title of their 2012 Annual Report is "Nice"!

About Eugene, Oregon

Located fifty miles east of the Pacific Ocean, Eugene has a cool and temperate climate. Dubbed a biker's and runner's paradise, Eugene has hosted 8 USA Outdoor Track and Field Championships. Eugene is home to the University of Oregon, with a nearly 300-acre campus for 20,000 undergraduate students. The stunning Hult Center for the Performing Arts boasts diverse and renowned performers from trumpeter Chris Botti to comedian Carol Burnett. Ninety minutes in the car take you from the ocean to the desert to snow skiing and to the city of Portland.
