

Advancing Leadership Success

VICE PRESIDENT/ACCOUNTING AND FINANCE

\$100M Assets

Community Financial Institution

A distinguished financial institution seeks a Vice President - Accounting and Finance with Chief Executive Officer (CEO) succession possibilities. The vice president is accountable for profit management, accounting, forecasting, CECL, financial analysis and reporting, investment analysis, and budgeting/modeling.

This position will work closely with the CEO and make recommendations for new investment vehicles. This position also works with the board of directors to answer questions about the balance sheet and financial reports. Additionally, the vice president must be an accurate and avid team player in this highly collaborative culture.

This financially sound financial institution is seeking someone who will strategically guide the organization toward their vision within the context of their mission. Strategic planning is key to this role as is doing research and analysis on product pricing and providing recommendations to the CEO.

Candidates will need a minimum of five years management experience in a financial institution. A bachelor's degree is required, but a master's degree is preferred with an area of specialty in finance and accounting.
