SPECIALISTS IN ADVANCING EXECUTIVE AND TEAM LEADERSHIP

Vice President of Lending
Los Angeles Firemen's Credit Union
Pasadena, CA

Since 1935 this credit union has been answering the call for financial security for its firefighter members. Join a prestigious organization and supportive culture in a strategic role that touches the lives of thousands. Work in the best environment in the new 6-story administrative building. Their \$800 million in assets allows them to have the presence to move significantly for their members. Join a team that does more than talk about making a difference as you interact with LA's finest fire fighters.

This newly created position has responsibility for consumer lending, real estate lending, and business lending. This is a career opportunity where you will utilize your lending expertise to guide and support member's realizing their dreams. Join a dynamic team that moves themselves and others into the future.

Requirements:

Eight years of financial industry experience
Bachelor's Degree require and Masters preferred
Previous management experience
Successful track record of building and executing lending strategies
Leadership Presence
Word processing, spreadsheet, database applications and ability to compile and analyze figures

Compensation: Competitive based upon level of experience
